Seniors- Class of 2015

This Moment, We Own It

It's finally here! This year's seniors were excited to finally be at the top of the totem pole. They were kept busy with college applications, scholarships, and all of their classes, including a new class required this year, Senior Seminar. Some highlights of their year were winning the Spirit Award for the second year in a row, getting to be first in the lunch line, and finally graduating in May. As the class of 2015 says goodbye to High Plains, they look back on all of the good times they have had the past four years. They wish the underclassmen the best of luck in living up to their awesomeness.

They sell pizza at a football game and work concession stands as fund raisers for the year. Their class sponsor is Mr. Vrbka. Once the school year is concluded, their class will be half way through their high school years.

Class of 2018

The Freshman class, consisting of 21 students, was welcomed to the high school. The year began with a class meeting to elect class officers. Jodie Vrbka was their sponsor. They began their fund raising with cake raffles during volleyball and basketball season and working the concession stand.

The class quickly became accustomed to high school and involved themselves in various school activities. They put up with a lot of joking around being at the bottom of the social order, for instance, last in the lunch line and everything else, having to get equipment on the sport buses, making way in the hallways for the upperclassmen. They learn quickly to start pushing their way for what they want.

BOYS OF FALL

The High Plains Storm football season was one full of ups and downs. The Storm battled through one of the toughest schedules in all of football last year. All four of the regular season losses came to top 10 teams. But also, they beat the #3 ranked Blue Hill, at Blue Hill, in an exciting fashion. The season would come to an end in a tough playoff loss. The seniors were the first ever in HPC history to make the playoffs all four years. HPC fought through inexperience early in the season but the team's chemistry became stronger than ever. This team was one of the most close-knit teams in the school's history. Senior, Jabe Wurtz broke the HPC single-season passing record with 1,578 yards, completions with 113, attempts with 212, and passing touchdowns with 21. Junior, Kyler Van Housen, broke the HPC single-season receiving record with 664 yards, receptions with 40, and receiving TD's with 9. Sophomore, Thomas Young broke the single season interception record with 5. The team never gave up and always played together. It was another outstanding year to be a part of the Storm Football program! BOOM BOOM BOOM!

The Senior class posing with the Spirt Bolt. The spirit bolt is awarded to the class that accumulates the most points during the week from activities held.

The 2014 Homecoming Week was filled with excitement, crazy dress up days, classes competing against each other and a count down to Friday! On Wednesday the bonfire was held in Polk, the seniors' parents put on a Candy Shop skit with the seniors. The senior athletes gave speeches along with the coaches, and the band played the school spirit song to pump everyone up.

Friday during lunchtime the winning class from homecoming activities was announced, the seniors won, making it two years in a row that the class of 2015 got to write their name on the bolt. After the game Friday night the students enjoyed themselves at the dance with the theme 'Neon Lights'.

Prom is always a special night to remember. This year's theme for prom was "Chalkboard Wishes." The theme consisted of black and white decorations with brightly-colored additions to the chalboard theme. The junior class spent a great deal of time with putting up the decorations in the Hordville Events Center and transformed the gymnasium into a ballroom of dancing and shared memories. The juniors sold magazines, cake raffles, and raffled Nebraska Baseball tickets to make this special night happen. Post Prom consisted of hosting a hypnotist show by Amazing Arthur and a dogeball tournament. Post Prom concluded with the yearly prizes and giveaways. Chalkboard Wishes was a night to remember.

The individuals pictured on these two pages are dedicated to the work they do for this school district. Kids are their number one priority. They enjoy their jobs and work for the students of HPC; You can ask any of them and their answer would be the enjoyment they receive from seeing the students reaction when something goes good during their day.

We said good-bye to Linda Gilson and Kelly Lesiak to retirement this year. They had dedicated 37 and 33 years, respectively, to the district. We also bid farewell to Julie Hendricks, Susan Watkins, and Dr. Phil Mahan as they pursue different jobs in education.

Turned into my silly girl, full of curiosity and energy
Had become this amazing young woman

And I can't wait to see what the next 18 years has in store for you
Always follow your dreams, no matter how crazy they may seem

You'll always have someone back at home
who is dying to hear about your adventures!

Colophon

The members of the Desktop Publishing class, Rachel Beck, Mariana Chavez, Allie Hogan, Hannah Person, and Danielle Shenk, put this book together for you. "It's Something Unpredictable..." was the theme chosen. Each spread is titled with a song title. These class members were unpredictable in what they came up with each and everyday.

Jostens printed the book. It was produced on the computer using Jostens Yearbook A Venue web-site. A variety of layout styles were used throughout the book. The font used was Helvetica for the body and captions. Headlines were a variety of fonts.

A World Beat section was placed in the back of the book to have a record of the national events that took place during this year. The cost of the book was $30 and $35 to have it personalized. Pictures used were taken by the yearbook staff, interested students, faculty members, and parents. Digital pictures were used or photos were scanned and then placed. The underclassmen school photos were taken by Studio G. Senior portraits were taken by a variety of photography studios in the area.

We would like to thank all the students, faculty, administrators, parents, and businesses for their cooperation for allowing photos to be taken of them throughout the year and for purchasing this yearbook and/or ads. Your support of the school is greatly appreciated. We hope you enjoyed what you found between the cover of this book.
